DESIGN

LEAVE BORING BEHIND.

The exterior design of the new BMW 2 Series Gran Coupé is defined by an expressive front section, a dynamically elongated silhouette and a powerfully designed rear. The standard M Sport design conveys the sporty elegance that is so characteristic of a BMW Gran Coupé.

SCULPTED TO BE SEEN.

THE NEW BMW 2 GRAN COUPÉ. DYNAMIC, DIGITAL AND INDIVIDUAL.

More than a car, it's a declaration. The new BMW 2 Series Gran Coupé turns everyday journeys into standout moments. Dynamic in performance, digital by design and deeply individual in character, it's everything a modern BMW should be. Progressive, connected and unmistakably distinctive.

SHARK NOSE DESIGN WITH ICONIC GLOW KIDNEY GRILLE.

Sculpted for sportiness and elegance, the shark nose front design is accentuated by a segment first Iconic Glow Kidney Grille with contour illumination. A signature that commands attention by day and looks striking at night.

ADAPTIVE LED HEADLIGHTS.

Engineered with glare-free matrix technology, the Adaptive LED Headlights automatically adapt to your surroundings, enhancing visibility without disturbing others. Day or night, city or highway — every beam is perfectly calculated, every detail, brilliantly defined.

18" M LIGHT ALLOY WHEELS.

The 18-inch M Light alloy wheels bring a confident edge to the silhouette, while tubeless tires provide smoother rides and enhanced durability. Together, they deliver elegance that moves and a drive that responds.

AGGRESSIVE M-SPORT PACKAGE.

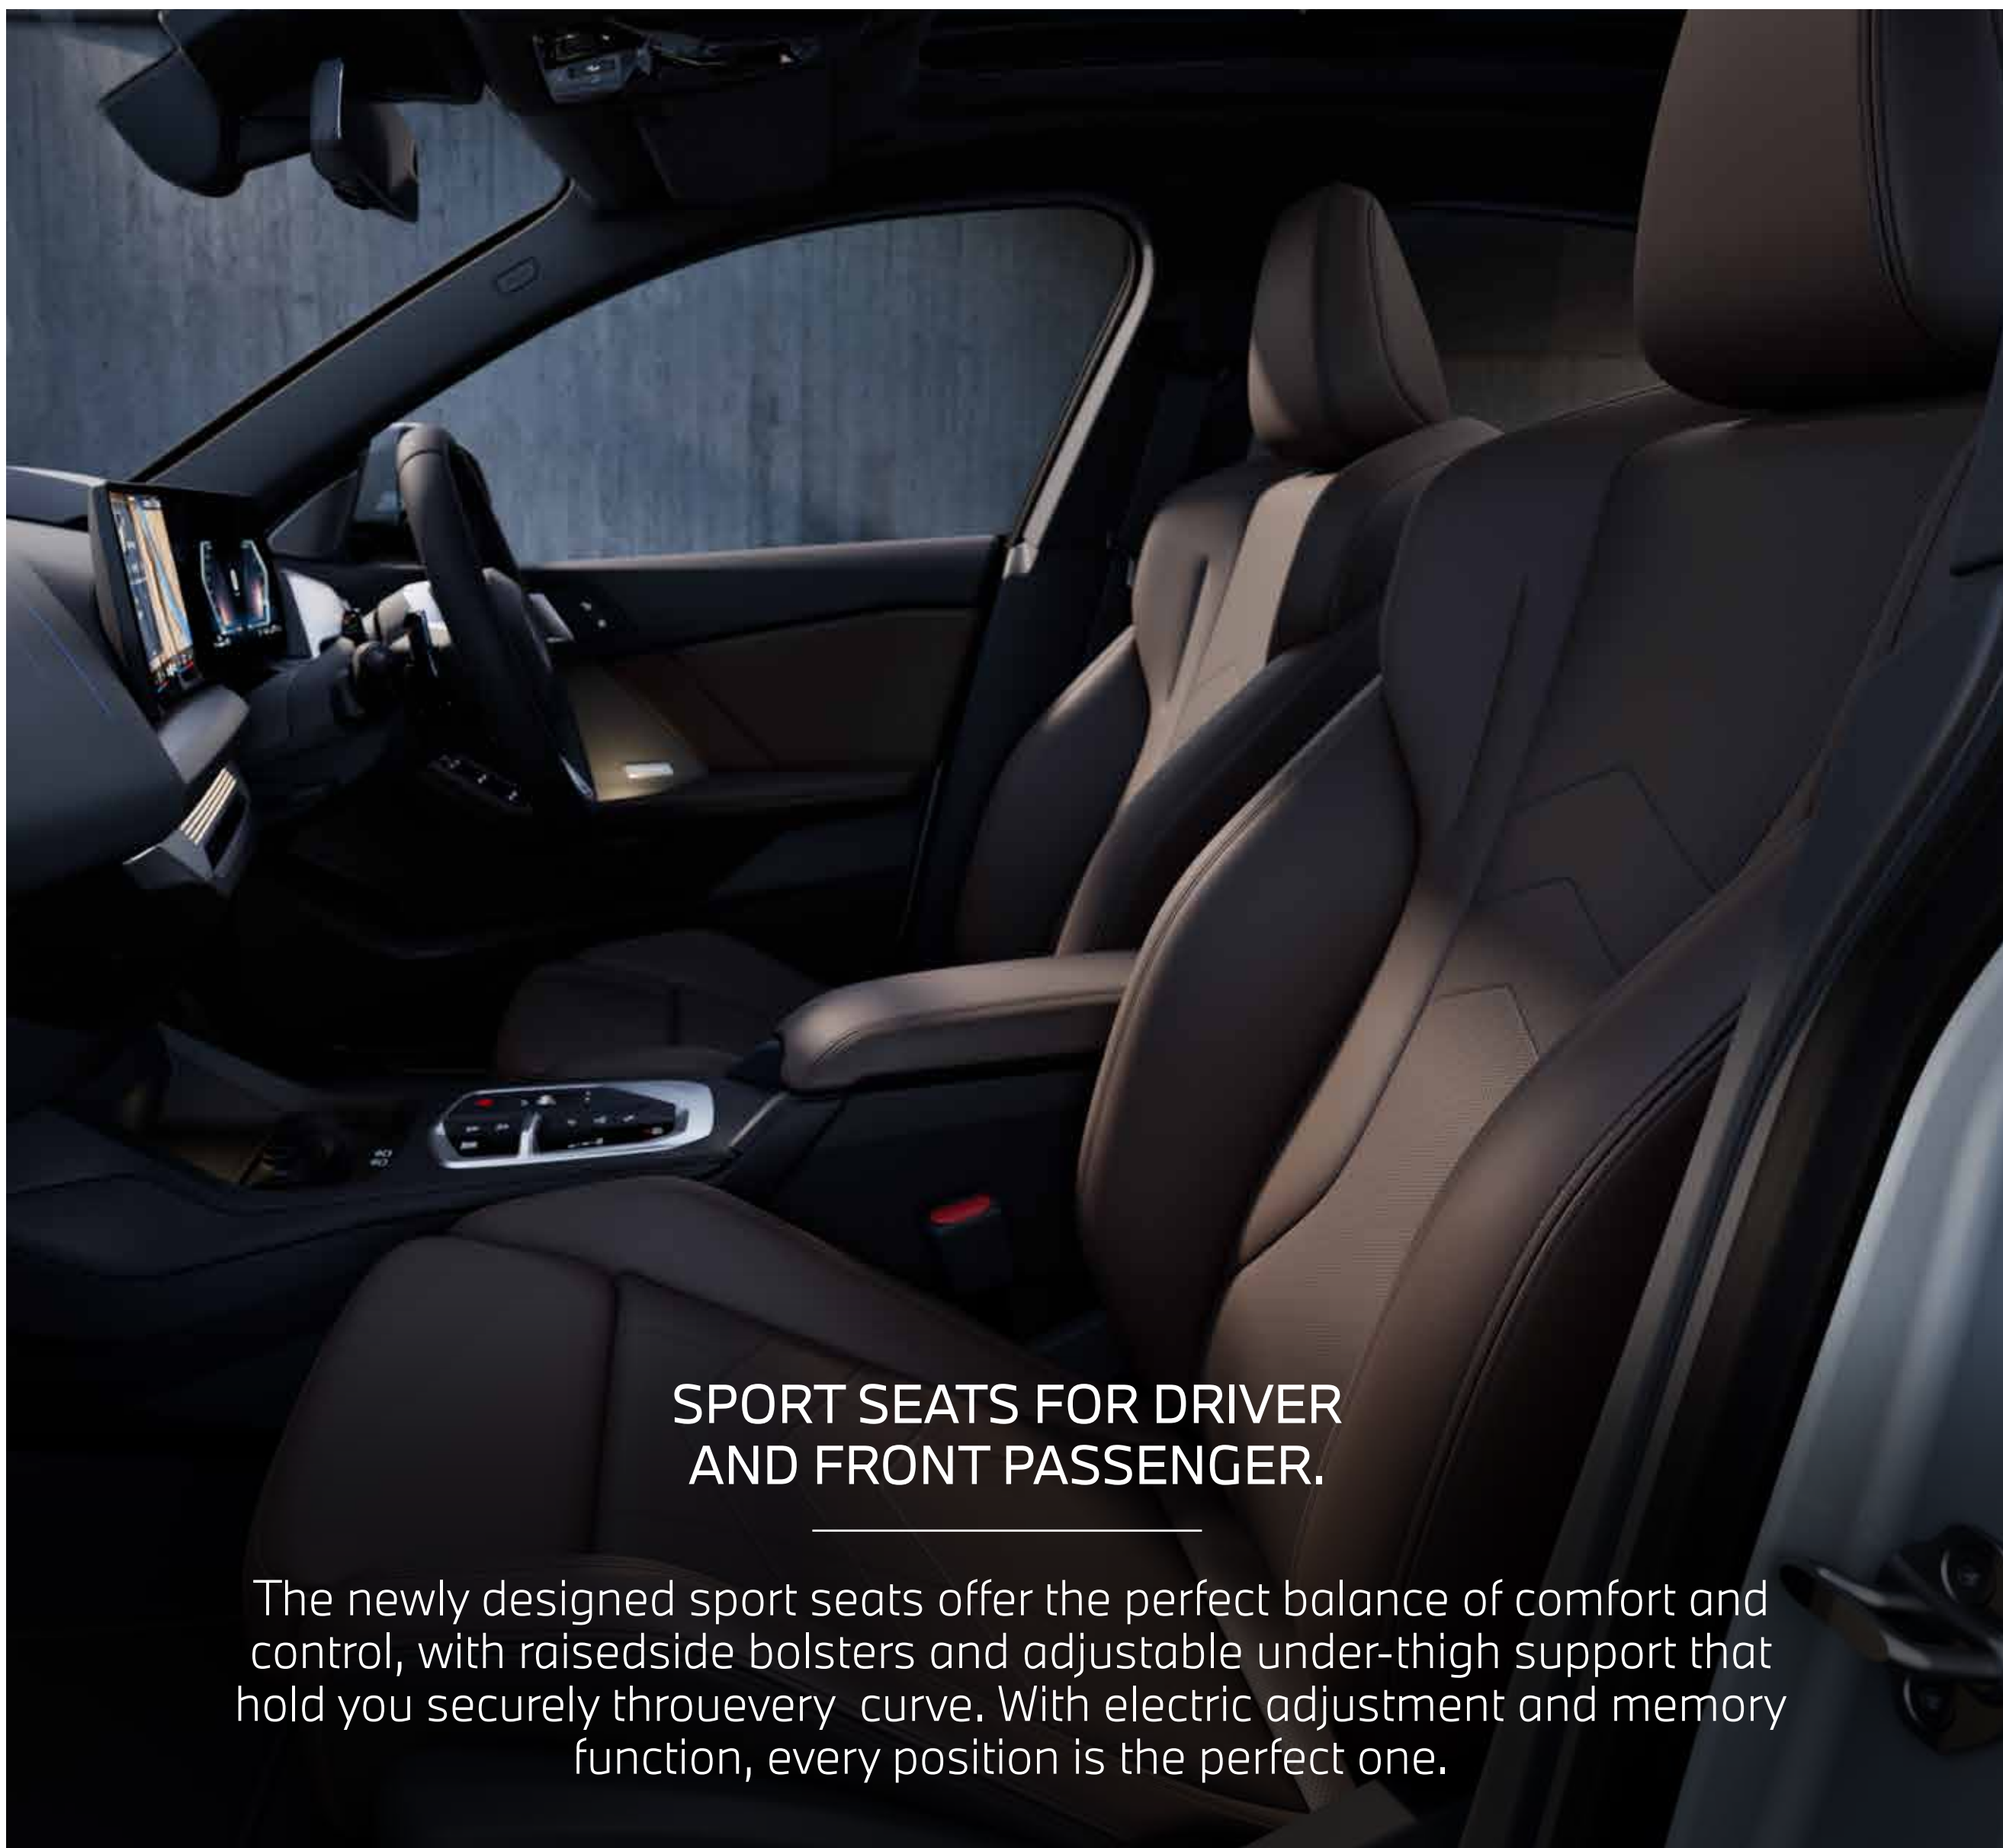

The M Sport Package sharpens the silhouette with expressive design cues and elevates the cabin with sporty precision. Aerodynamically sculpted bodywork and signature M elements, the M Sport Package is more than a visual upgrade, it's an invitation to drive harder.

CRAFTED FOR STYLE. BUILT FOR CONTROL.

CRAFTED AROUND THE DRIVER.
INSPIRED BY THE FUTURE.

Bold yet refined, digital yet personal. Step inside a cockpit that blends sportiness with sophistication. The interior is designed to impress, with premium materials, cutting-edge technology, and meticulous attention to detail.

SPORT SEATS FOR DRIVER AND FRONT PASSENGER.

The newly designed sport seats offer the perfect balance of comfort and control, with raisedside bolsters and adjustable under-thigh support that hold you securely throuevery curve. With electric adjustment and memory function, every position is the perfect one.

ILLUMINATED ALUMINIUM HEXACUBE DÉCOR.

The dynamically backlit M Aluminium Hexacube interior trim adds a layer of modern sophistication to the cabin. With lighting effects that respond to My Modes, welcome animations, and even incoming calls, it transforms every drive into a multisensory experience.

HARMAN KARDON SURROUND SOUND SYSTEM.

With 12 high-performance speakers and a 205-watt amplifier, the Harman Kardon surround sound system offers dynamic, balanced sound tailored to the acoustics of the cabin. Stainless-steel speaker covers with illuminated branding add a visual rhythm to the immersive soundscape inside.

PANORAMIC GLASS SUNROOF.

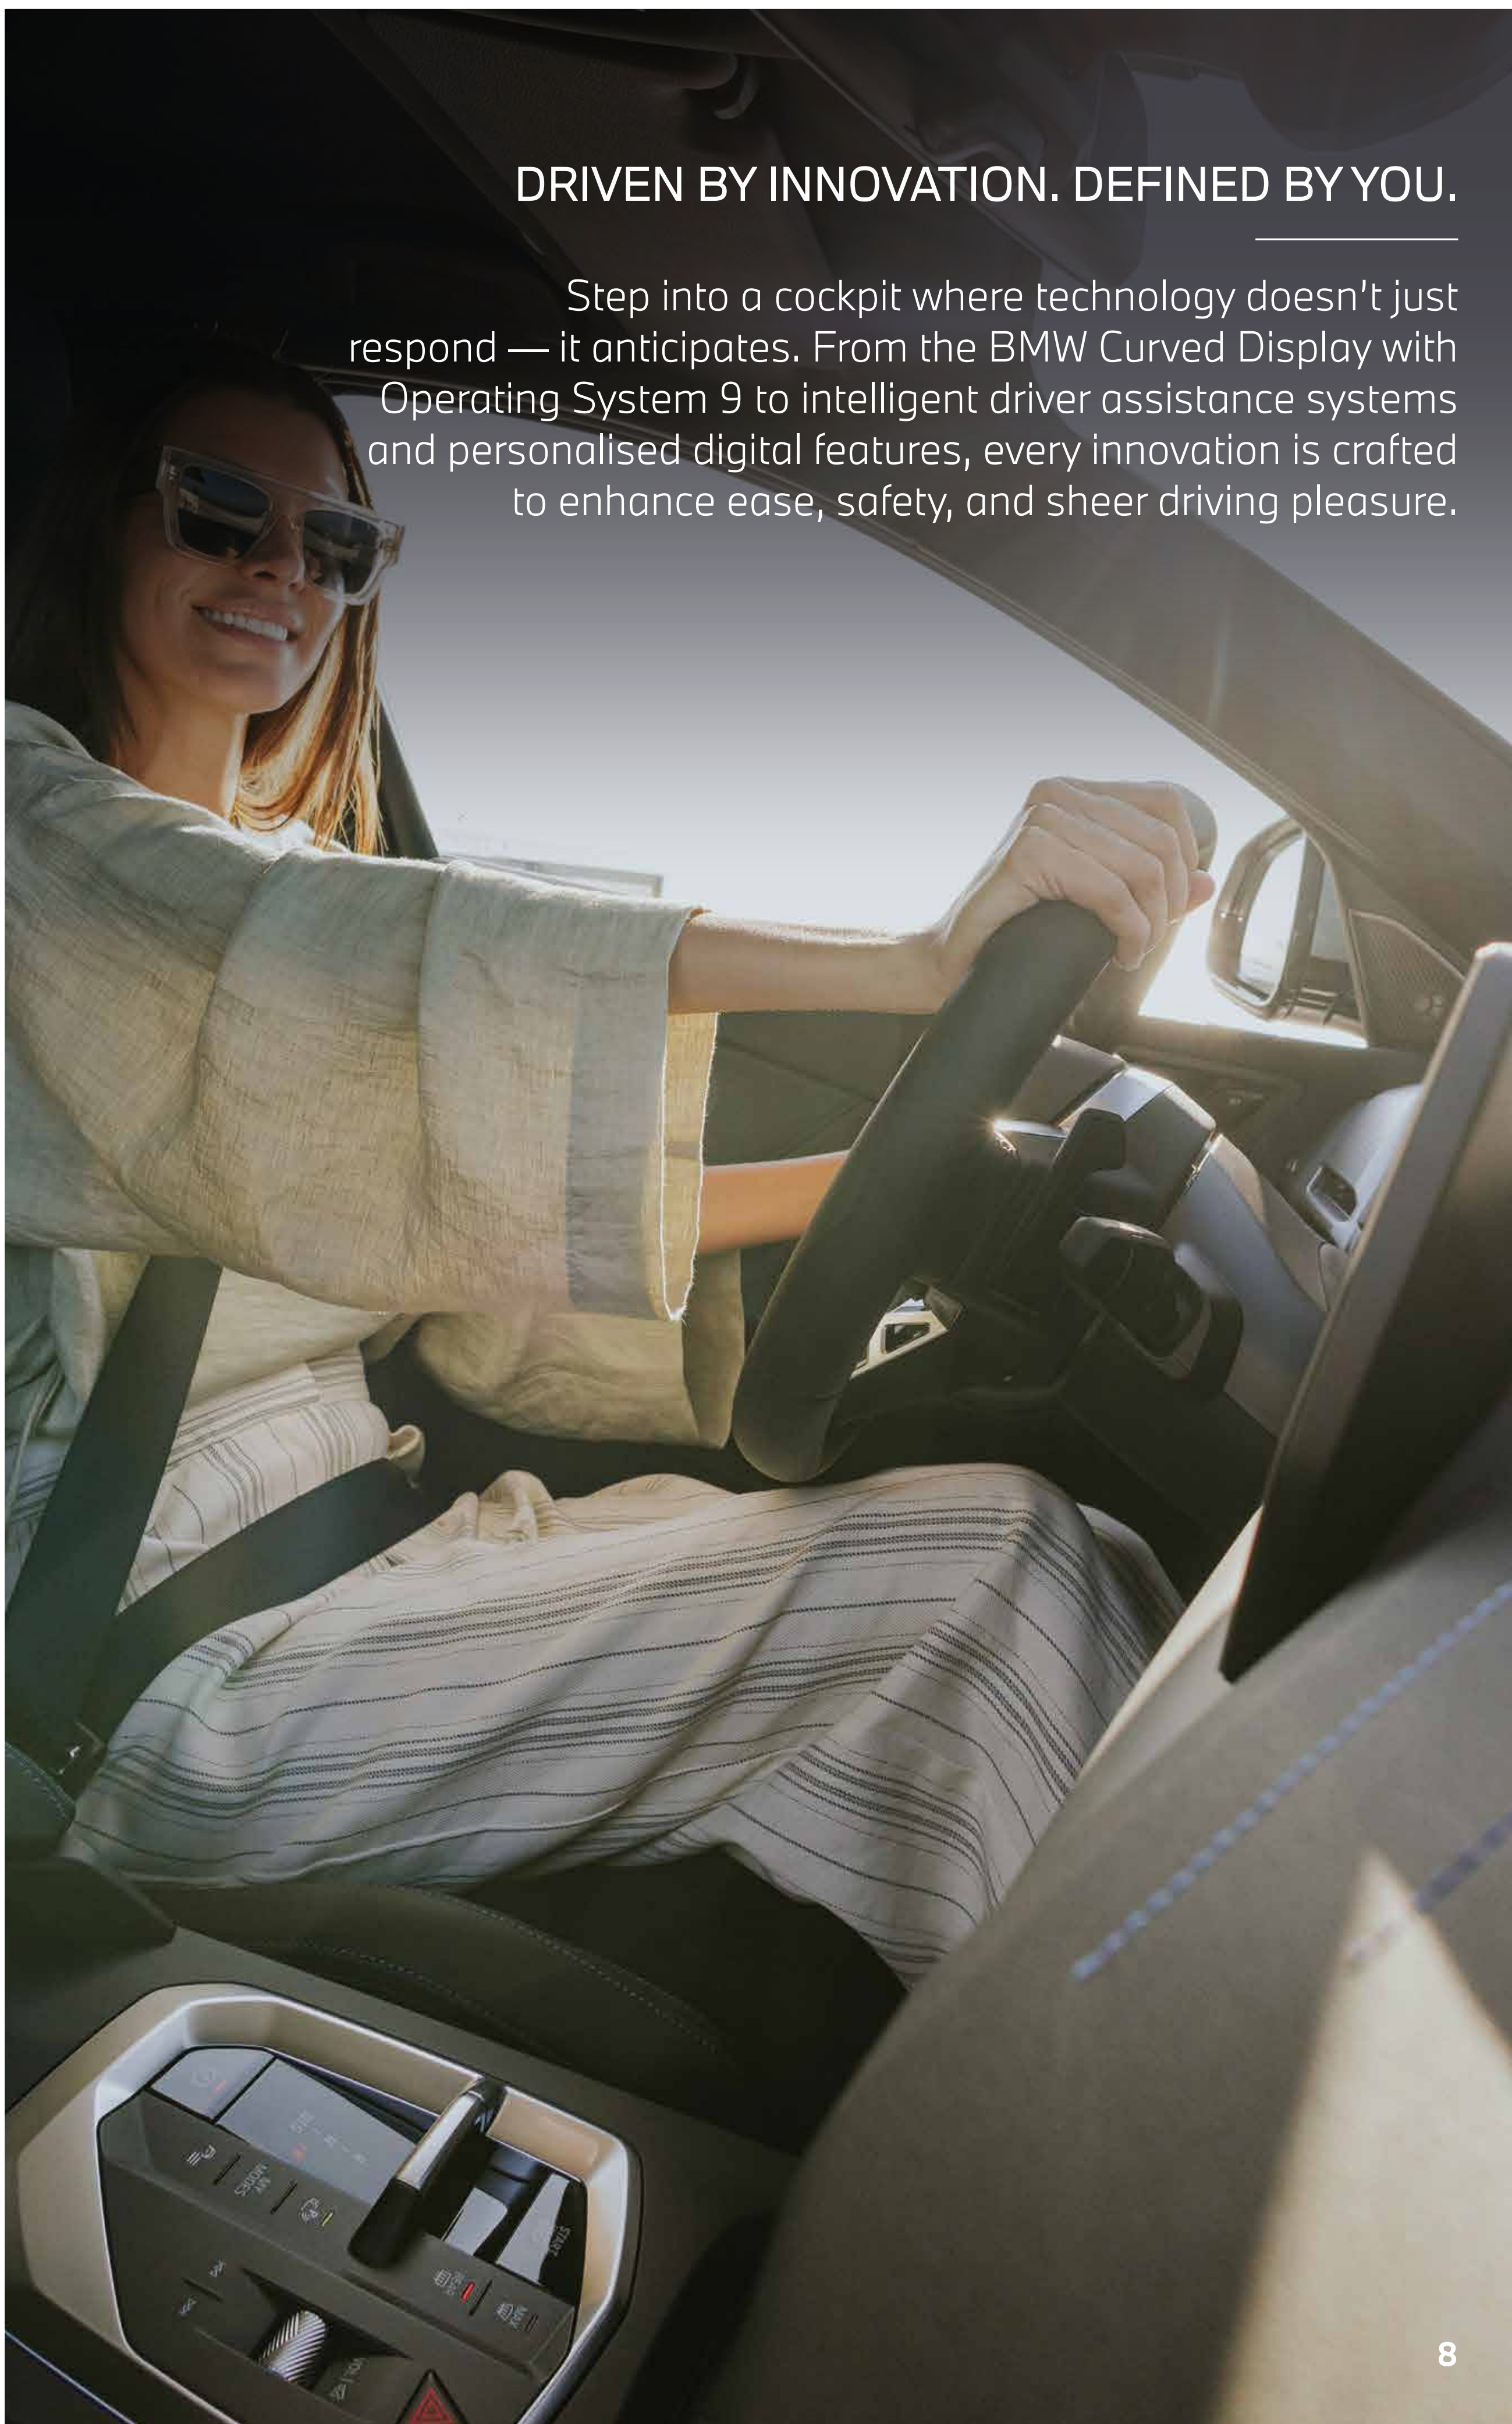

The panoramic sunroof floods the cabin with natural light, creating a spacious, open atmosphere for every journey. At the touch of a button, the glass roof slides open to connect you with the world above and add elegance to every drive.

INNOVATION & TECH

DRIVEN BY INNOVATION. DEFINED BY YOU.

Step into a cockpit where technology doesn't just respond — it anticipates. From the BMW Curved Display with Operating System 9 to intelligent driver assistance systems and personalised digital features, every innovation is crafted to enhance ease, safety, and sheer driving pleasure.

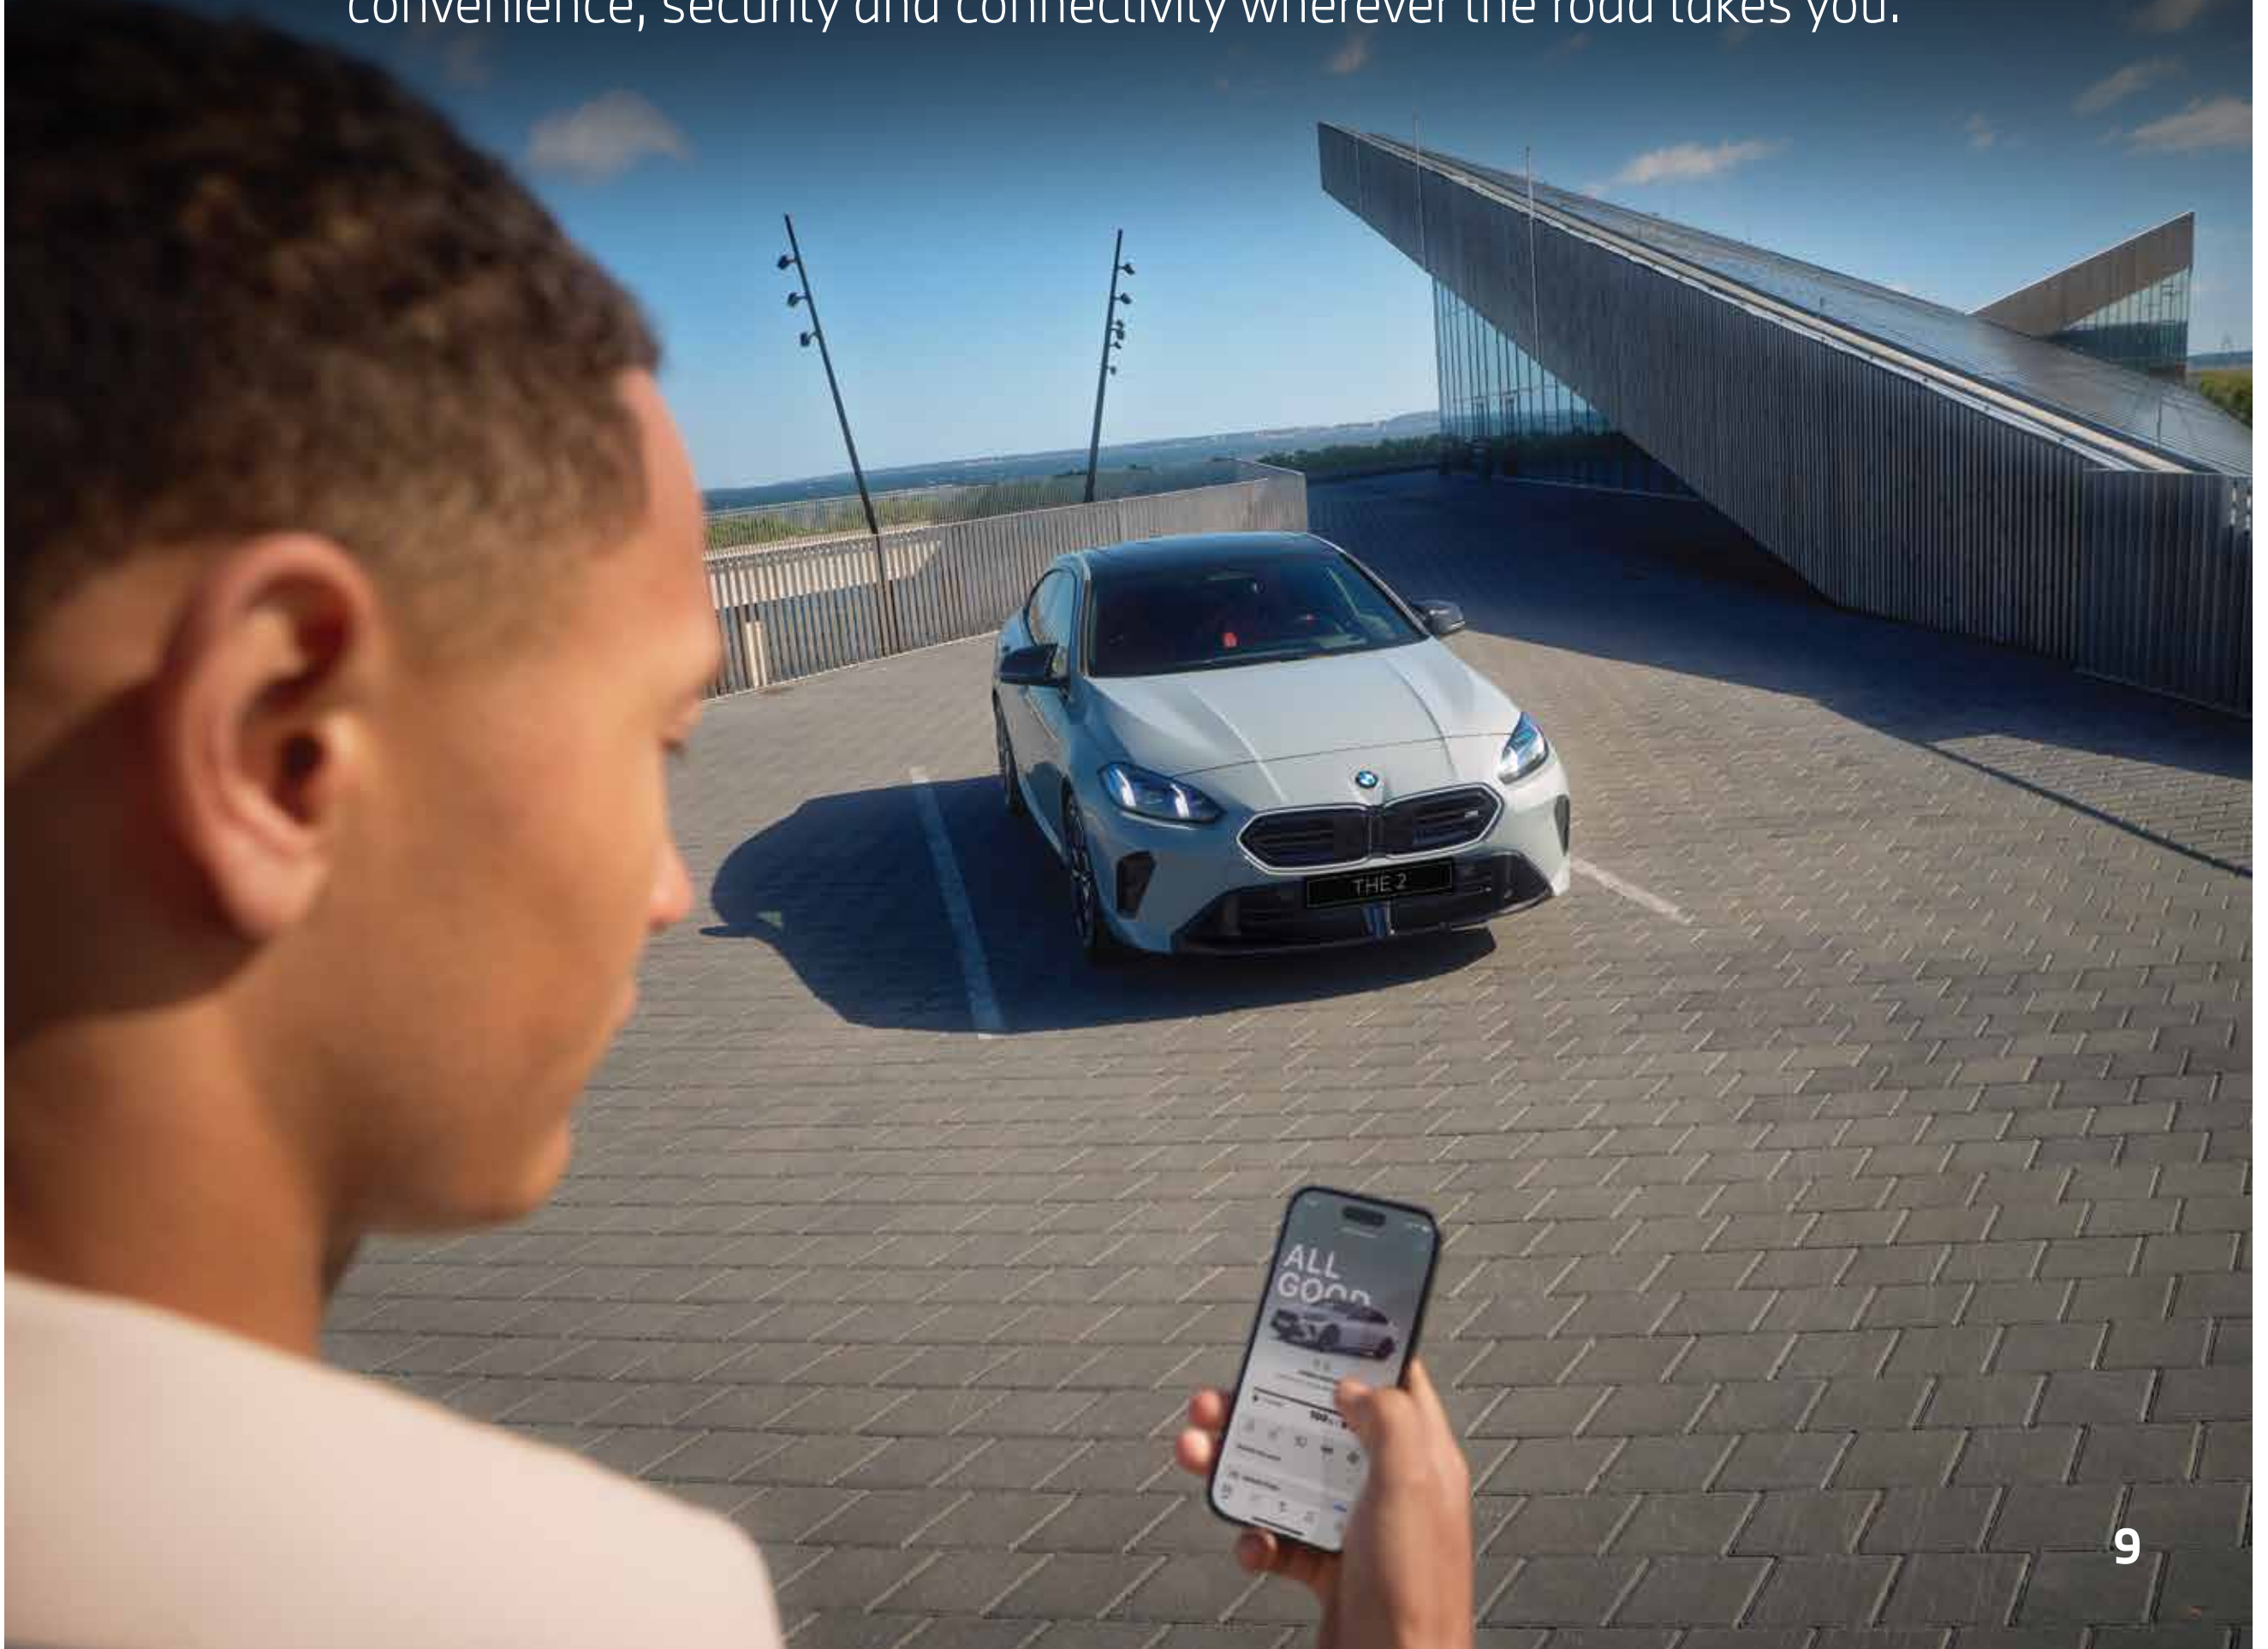

WIDESCREEEN CURVED DISPLAY WITH OS 9.

Experience the future of connectivity with the stunning driver-oriented widescreen curved display seamlessly blending functionality and sophistication. Enjoy seamless navigation, effortless connectivity, and unparalleled visual clarity with the latest BMW OS 9.

CONNECTED DRIVE.

BMW ConnectedDrive brings the digital world into your drive — seamlessly linking your car, smartphone, and everyday life. Remote vehicle control via the My BMW App offers convenience, security and connectivity wherever the road takes you.

COMFORT ACCESS AND DIGITAL KEY PLUS.

With BMW Digital Key Plus, you can use your smartphone or smartwatch to lock, unlock and even drive the vehicle instead of a traditional key as well as transfer the key to your friends and family.

PARKING ASSISTANT PLUS.

Parking Assistant Plus combines advanced technology with intelligent design, simplifying the parking experience. Enjoy class-leading features like reversing assistant with 360 degree view which helps reverse out of parking spaces safely, with the system remembering the last 50 meters driven.

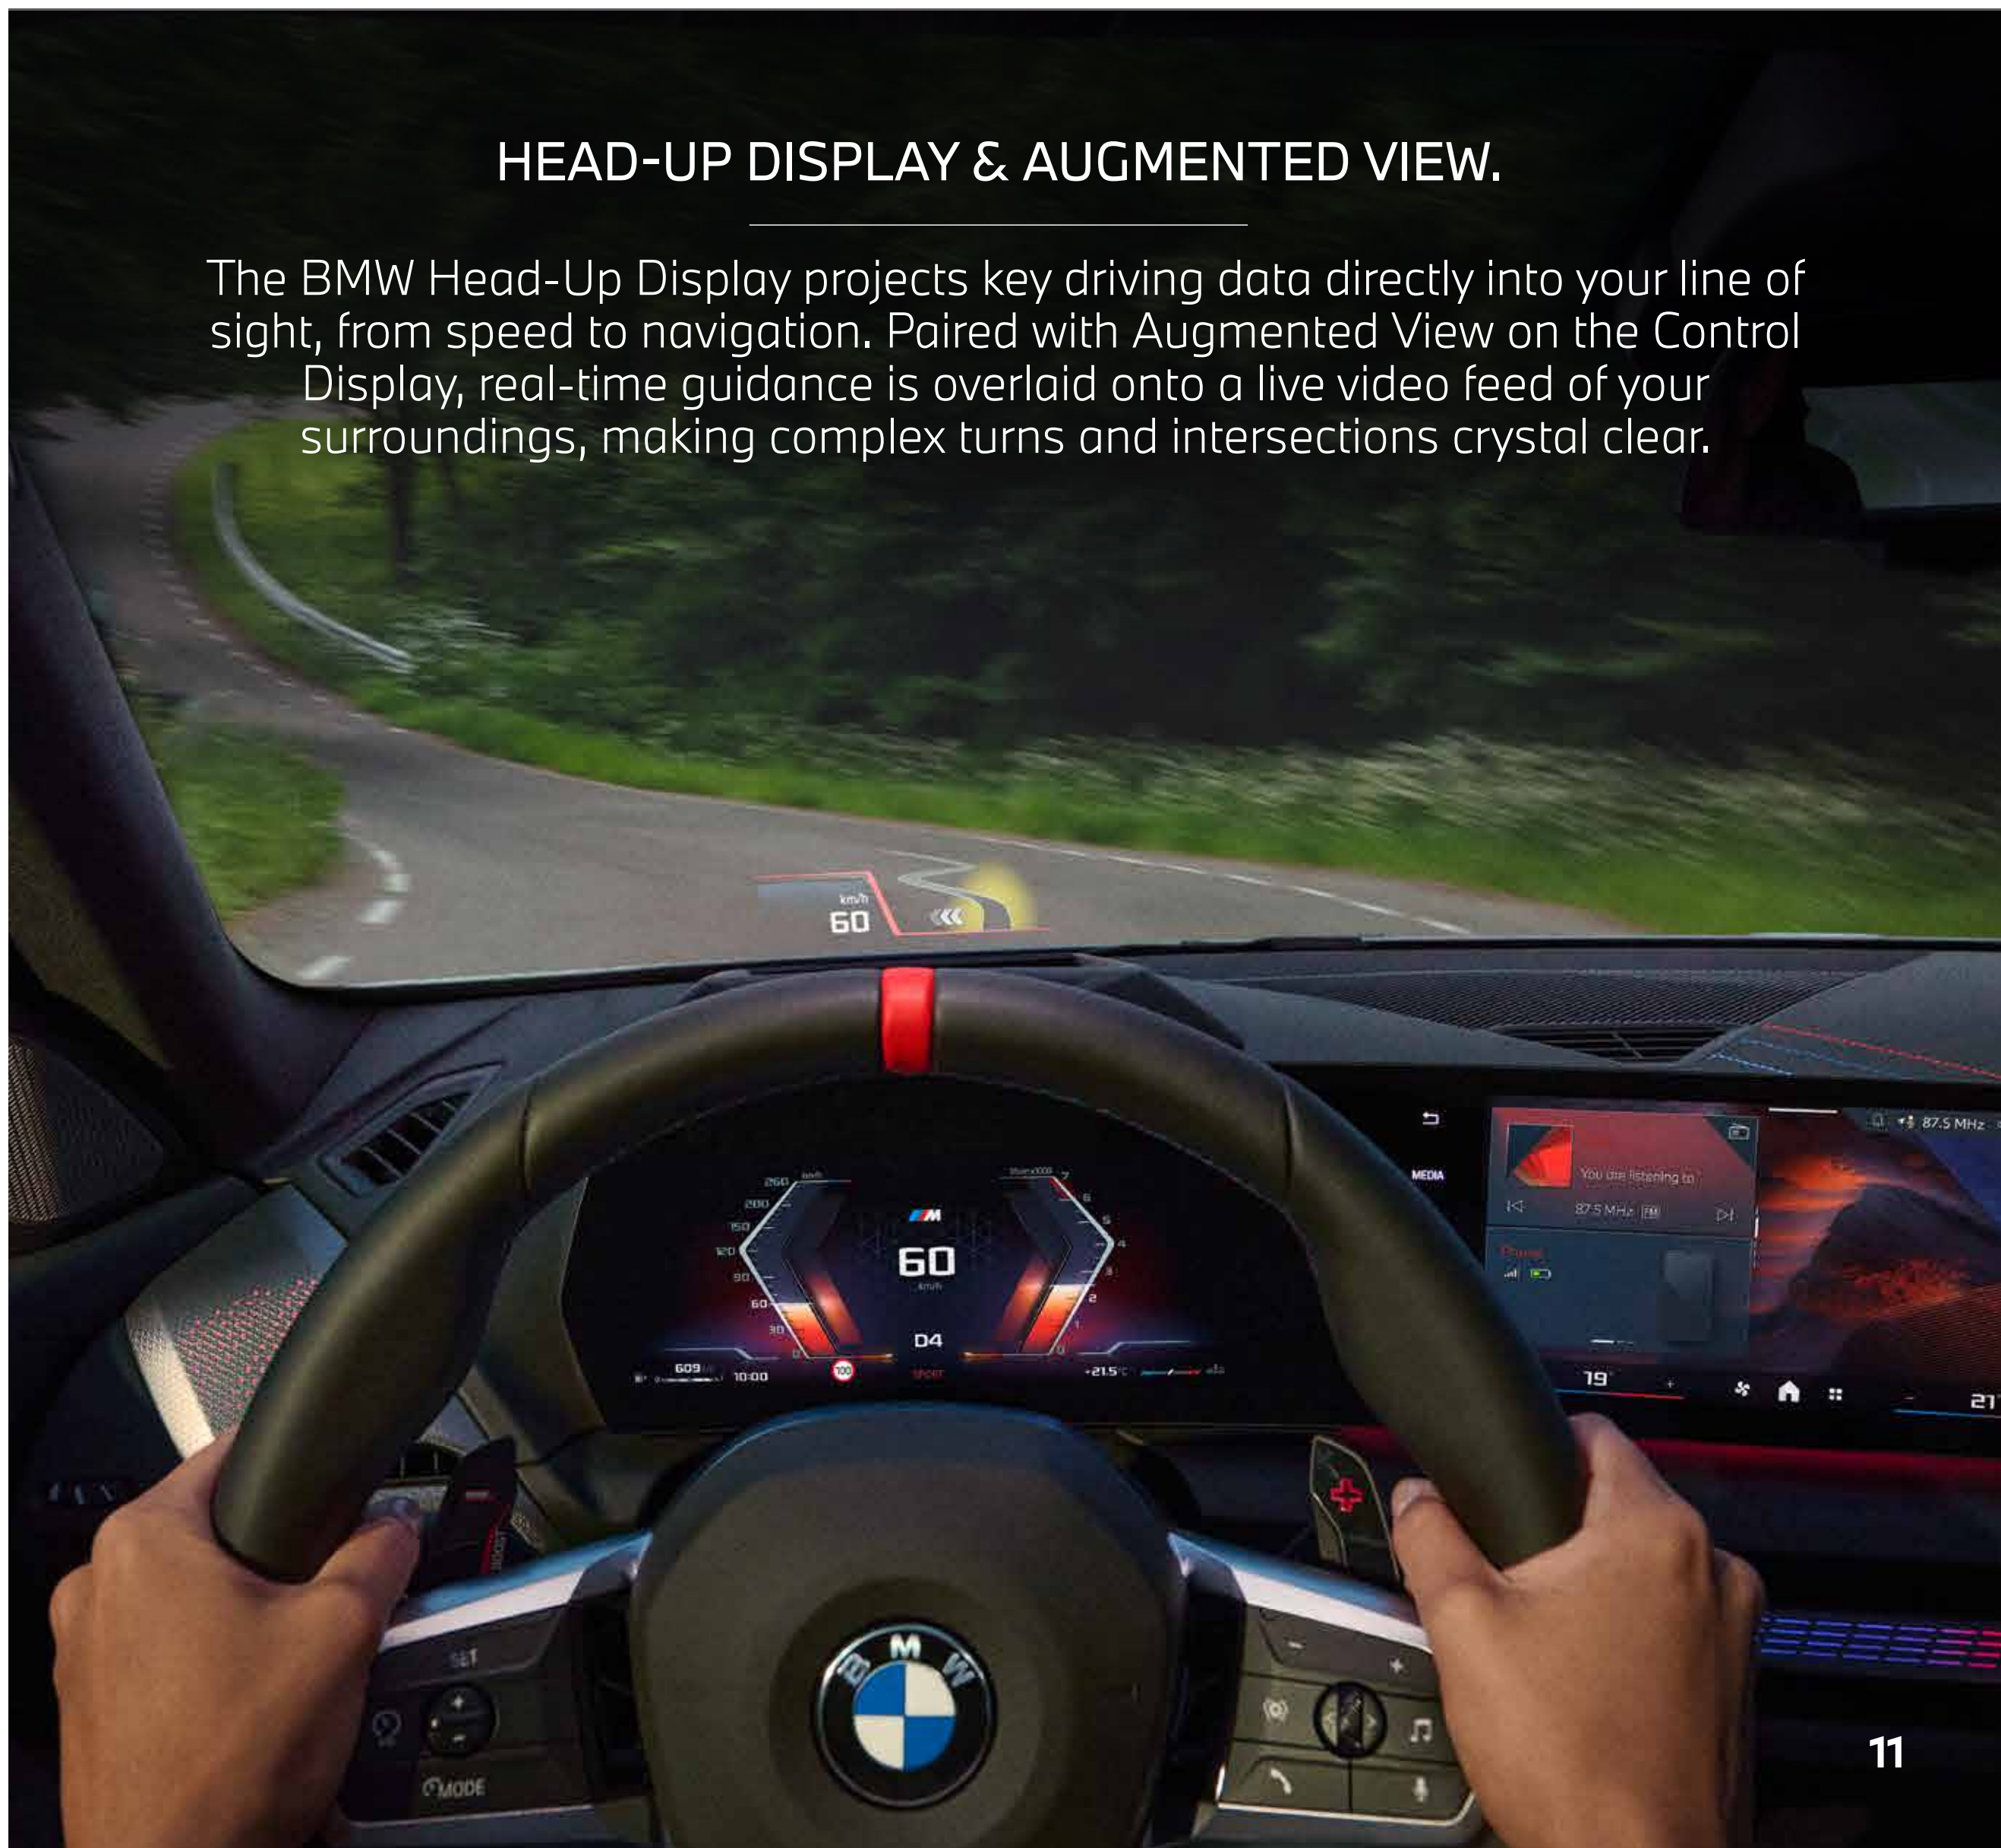

INTERIOR CAMERA.

The interior camera adds a new layer of convenience and security by letting you check inside your BMW remotely via the My BMW App. With intelligent integration and crisp imagery, it keeps you connected to your car, wherever you are.

HEAD-UP DISPLAY & AUGMENTED VIEW.

The BMW Head-Up Display projects key driving data directly into your line of sight, from speed to navigation. Paired with Augmented View on the Control Display, real-time guidance is overlaid onto a live video feed of your surroundings, making complex turns and intersections crystal clear.

SAFETY

INTELLIGENCE THAT WATCHES OVER EVERY DRIVE.

Whether you're cruising, cornering, or parking, intelligent systems work quietly in the background to support your drive. With a comprehensive suite of active and passive safety features, the BMW 2 Series Gran Coupe gives you confidence in every moment.

DRIVING ASSISTANT.

The Driving Assistant combines advanced technologies like Front Collision Warning, Blind Spot Detection, Lane Departure Warning, and Crossroads Monitoring to keep you protected in all directions.

REMOTE 3D VIEW.

With Remote 3D View, you can check on your car in real time from your smartphone. The system streams a live view of your vehicle via the My BMW App, giving you peace of mind, wherever you are.

POWER & PERFORMANCE

POWER THAT RESPONDS. COMFORT THAT ENDURES.

Experience dynamic agility and long-distance comfort in perfect harmony. With its latest-generation TwinPower Turbo engine, 7-speed Steptronic transmission, and new suspension components, the new BMW 2 Series Gran Coupé turns everyday drives into something extraordinary.

PADDLE SHIFTERS ON STEERING WHEEL.

The M leather steering wheel with paddle shifters puts precise gear changes at your fingertips. And when you want an extra surge of performance, the Sport Boost function unleashes maximum power with a single pull of the left paddle.

ENGINEERED FOR EVERY ROAD.

With a re-engineered chassis, stiffer body structure, and newly tuned suspension components coupled with intelligent damping and increased ground clearance the drive always feels intuitive, precise and unmistakably BMW.
